Blood Poison

Blood poison, hereditary or contracted, pollutes the system with a poison that, unarrested, effects disastrous ravages throughout the human anatomy. Soon ulcers form in the mouth and throat, rose and copper-colored spots appear on the body and often buboes form in the groin, the scalp becomes diseased and the hair and eyebrows fall out, the whole surface of the face and body finally becoming covered with horrible sores. In the third stage the hard tissues, the bones and the ligaments are attacked, the actual frame-work of the body putrifies, the whole human organism becomes a mass of corruption and the pitiful victim cries for death to end the awful sufferings.

Blood Poison can be absolutely and permanently cured by Botanic Blood Balm (B. B. B.). This wonderful medicine is guaranteed to cure the worst, longest standing and deepest seated cases. It cures where other medicines, doctors and hot spring treatments have utterly failed. It promptly heals all sores, stops all aches and pains, reduces all swellings, makes the blood pure and rich and completely changes the body into a clean, healthy condition. It is a purely vegetable compound, containing no mercury or other dangerous mineral. It is a peerless tonic, building up the system as it drives out the poison. Write the manufacturers for circulars and free medical advice.

Botanic Blood Balm (B. B. B.) is sold by all druggists. Price \$1.00 per large bottle. If taken in sufficient quantity according to directions on label and not cured, money is refunded.

Write for free book containing valuable medical advice and the history of many remarkable cures made by B. B. B.
